| <p><b>Talking Tiles</b></p>  <p>Available at<br/><a href="http://www.murrays.ie">www.murrays.ie</a><br/>See You Tube Video <a href="#">here</a></p>         | <p>Talking Tiles allow you to record up to 80 seconds of a message, song, instruction or prompt. The talking tile is robust and can be easily cleaned. Simply press the tile and the message will play. Some ideas for use:</p> <ul style="list-style-type: none"> <li>• A special message from grandchildren</li> <li>• Record a short familiar story or poem</li> <li>• Sing a familiar song</li> <li>• Upload a song or recording from MP3 player</li> <li>• Record a poem or prayer</li> <li>• Record contact numbers or a reminder</li> </ul> <p>Add an image, symbol or text to on the cover</p>   |
| <p><b>Talking Photo Album</b></p>  <p>Available at<br/><a href="http://www.murrays.ie">www.murrays.ie</a><br/>See You Tube Video <a href="#">here</a></p> | <p>Talking Photo Album Deluxe is a great gift idea for family, you can create a personalised photo album by recording a message or song to each photo (20 photo sleeves). You have over two hours to record and you can re-record new messages. Some ideas how to use the Talking Album</p> <ul style="list-style-type: none"> <li>• Create a memory book of the person you are gifting to e.g. photos from their childhood and all the way through the special moments in their life – add a message to each photo</li> <li>• Create an album of family e.g. photo of children and grandchildren, have each person record a special message</li> <li>• Familiar places – put photos of memorable places from the person’s life e.g. where they lived or worked, the town they grew up in or special places to them. Add a familiar story to each image or a song they enjoy</li> <li>• A Talking Photo Album can also be used for instruction and prompting e.g. recipes and methods</li> </ul> |
| <p><b>Talking Cards</b></p>  <p>Available at<br/><a href="http://www.murrays.ie">www.murrays.ie</a><br/>See You Tube Video <a href="#">here</a></p>       | <p>Talking Cards lets you create a personalised card for your loved one by recording a message that plays when opened; the message can be up to 40 seconds long. You can also add a drawing or photo to the front</p> <ul style="list-style-type: none"> <li>• Use for special occasions such as birthdays or Christmas</li> <li>• Record a song or a personal message</li> <li>• The talking card can be supportive for people with dementia as it may be more instinctive to open a card.</li> </ul>   |
